

National Football League Rushing Yards Leaders

Emmitt Smith

Emmitt James Smith III (born May 15 , 1969) is an American former professional football player who was a running back for fifteen seasons in the National Football League (NFL) during the 1990s and 2000s , primarily with the Dallas Cowboys . A three-time Super Bowl champion with the Cowboys , he is the league 's all-time leading rusher . Smith grew up in Pensacola , Florida and became the second-leading rusher in American high school football history while playing for Escambia High School . Smith played three years of college football for the Florida Gators , where he set numerous school rushing records . After being named a unanimous All-American in 1989 , Smith chose to forgo his senior year of eligibility and play professionally . The Cowboys selected Smith in the first round of the 1990 NFL draft . During his long professional career , he rushed for 18,355 yards , breaking the record formerly held by Walter Payton . He also holds the record for career rushing touchdowns with 164 . Smith is the only running back to ever win a Super Bowl championship , the NFL Most Valuable Player award , the NFL rushing crown , and the Super Bowl Most Valuable Player award all in the same season (1993) . He is also one of four running backs to lead the NFL in rushing three or more consecutive seasons , joining Steve Van Buren , Jim Brown and Earl Campbell . Smith led the league in rushing and won the Super Bowl in the same year three times (1992 , 1993 , and 1995) when to that point it had never been done . Smith is also one of only two non-kickers in NFL history to score more than 1,000 career points (the other being Jerry Rice) .

Dallas Cowboys

The Dallas Cowboys are a professional American football team based in the Dallas-Fort Worth metroplex . The Cowboys compete in the National Football League (NFL) as a member club of the league 's National Football Conference (NFC) East division . The team is headquartered in Frisco , Texas , and plays its home games at AT & T Stadium in Arlington , Texas , which opened for the 2009 season . The stadium took its current name prior to the 2013 season . The Cowboys joined the NFL as an expansion team in 1960 . The team 's national following might best be represented by its NFL record of consecutive sell-outs . The Cowboys ' streak of 190 consecutive sold-out regular and post-season games (home and away) began in 2002 . The franchise has made it to the Super Bowl eight times , tied with the Pittsburgh Steelers and the Denver Broncos for second most Super Bowl appearances in history , just behind the New England Patriots record eleven Super Bowl appearances . This has also corresponded to eight NFC championships , most in the NFC . The Cowboys have won five of those Super Bowl appearances , tying them with their NFC rivals , the San Francisco 49ers ; both are second to Pittsburgh 's and New England 's record six Super Bowl championships . The Cowboys are the only NFL team to record 20 straight winning seasons (1966-85) , in which they missed the playoffs only twice (1974 and 1984) . In 2015 , the Dallas Cowboys became the first sports team to be valued at \$ 4 billion , making it the most valuable sports team in the world , according to Forbes .

1990 Nfl Season

The 1990 NFL season was the 71st regular season of the National Football League . To increase revenue , the league , for the first time since 1966 , reinstated bye weeks , so that all NFL teams would play their 16-game schedule over a 17-week period . Furthermore , the playoff format was

expanded from 10 teams to 12 teams by adding another wild card from each conference , thus adding two more contests to the postseason schedule ; this format remains in use today (although there are now four division spots and two wild card spots available with realignment in 2002) . During four out of the five previous seasons , at least one team with a 10-6 record missed the playoffs , including the 11-5 Denver Broncos in 1985 ; meanwhile , the 10-6 San Francisco 49ers won Super Bowl XXIII , leading for calls to expand the playoff format to ensure that 10-6 teams could compete for a Super Bowl win . Ironically , the first ever sixth-seeded playoff team would not have a 10-6 record , but instead , the New Orleans Saints , with an 8-8 record , took the new playoff spot . This was also the first full season for Paul Tagliabue as the league 's Commissioner , after taking over from Pete Rozelle midway through the previous season . ABC was given the rights to televise the two additional playoff games . Meanwhile , Turner 's TNT network started to broadcast Sunday night games for the first half of the season . On October 8 , the league announced that the Super Bowl Most Valuable Player Award would be named the Pete Rozelle Trophy . The season ended with Super Bowl XXV when the New York Giants defeated the Buffalo Bills 20-19 at Tampa Stadium . This would be the first Super Bowl appearance for Buffalo , who would lose the next three Super Bowls as well . Late in the season , with the Gulf War looming closer , the NFL announced that starting in Week 16 (and continuing until Super Bowl XXV) , the league would add American flag decals to the back of the helmet .

2002 Nfl Season

The 2002 NFL season was the 83rd regular season of the National Football League . The league went back to an even number of teams , expanding to 32 teams with the addition of the Houston Texans ; the league has since remained static with 32 teams since . The clubs were then realigned into eight divisions , four teams in each . Also , the Chicago Bears played their home games in 2002 in Champaign , Illinois at Memorial Stadium because of the reconstruction of Soldier Field . The NFL title was eventually won by the Tampa Bay Buccaneers when they defeated the Oakland Raiders 48-21 in Super Bowl XXXVII , at Qualcomm Stadium in San Diego , California on January 26 , 2003 .

Arizona Cardinals

The Arizona Cardinals are a professional American football franchise based in Phoenix , Arizona . They compete in the National Football League (NFL) as a member club of the National Football Conference (NFC) West division . The Cardinals were founded as the Morgan Athletic Club in 1898 , and are the oldest continuously run professional football team in the United States . The Cardinals play their home games at State Farm Stadium , which opened in 2006 and is located in the northwestern suburb of Glendale . The team was established in Chicago in 1898 as an amateur football team and joined the NFL as a charter member on September 17 , 1920 . Along with the Chicago Bears , the club is one of two NFL charter member franchises still in operation since the league 's founding (the Green Bay Packers were an independent team until they joined the NFL a year after its creation in 1921) . The club then moved to St. Louis in 1960 and played in that city through 1987 (sometimes referred to as the Football Cardinals or the Big Red to avoid confusion with the St. Louis Cardinals of Major League Baseball) . Before the 1988 season , the team moved west to Tempe , Arizona , a college suburb east of Phoenix , and played their home games for the next 18 seasons at Sun Devil Stadium on the campus of Arizona State University . In 2006 , the club moved to their current home field in Glendale , although the team 's executive offices and training facility remain in Tempe . The franchise has won two NFL championships , both while it was based in Chicago . The first occurred in 1925 , but is the subject of controversy , with supporters of the Pottsville Maroons believing that Pottsville should have won the title . Their second title , and the first to be won in a championship game , came in 1947 , nearly two decades before the first Super Bowl .

2003 Nfl Season

The 2003 NFL season was the 84th regular season of the National Football League (NFL) . Regular-season play was held from September 4 , 2003 , to December 28 , 2003 . Due to damage caused by the Cedar Fire , Qualcomm Stadium was used as an emergency shelter , and thus the Miami Dolphins-San Diego Chargers regular-season match on October 27 was instead played at Sun Devil Stadium , the home field of the Arizona Cardinals . The playoffs began on January 3 , 2004 . The NFL title was won by the New England Patriots when they defeated the Carolina Panthers , 32-29 , in Super Bowl XXXVIII at Reliant Stadium in Houston , Texas , on February 1 . This was the last season until the 2016 NFL season where neither of the previous Super Bowl participants made the playoffs .

The 2004 NFL season was the 85th regular season of the National Football League . With the New England Patriots as the defending league champions , regular season play was held from September 9 , 2004 to January 2 , 2005 . Hurricanes forced the rescheduling of two Miami Dolphins home games : the game against the Tennessee Titans was moved up one day to Saturday , September 11 to avoid oncoming Hurricane Ivan , while the game versus the Pittsburgh Steelers on Sunday , September 26 was moved back 7½ hours to miss the eye of Hurricane Jeanne . The playoffs began on January 8 , and eventually New England repeated as NFL champions when they defeated the Philadelphia Eagles 24-21 in Super Bowl XXXIX , the Super Bowl championship game , at ALLTEL Stadium in Jacksonville , Florida on February 6 .

He was also versatile , and retired with the most receptions by a non-receiver , and had eight career touchdown passes . He was elected into the Pro Football Hall of Fame in 1993 , the Mississippi Sports Hall of Fame that same year , and the College Football Hall of Fame in 1996 . Hall of Fame NFL player and coach Mike Ditka described Payton as the greatest football player he had ever seen - but even greater as a human being . Payton began his football career in Mississippi , and went on to have an outstanding collegiate football career at Jackson State University , where he was an All-American . He started his professional career with the Chicago Bears in 1975 , who selected him with the 1975 Draft 's fourth overall pick . Payton proceeded to win the 1977 AP NFL Most Valuable Player Award and won Super Bowl XX with the 1985 Chicago Bears . He retired from football at the end of the 1987 season having rushed for at least 1,200 yards in 10 of his 13 seasons in the NFL . After struggling with the rare liver disease primary sclerosing cholangitis for several months , Payton died on November 1 , 1999 , aged 45 , from cholangiocarcinoma . His legacy includes being the namesake of the Walter Payton Man of the Year Award , Walter Payton Award , and a heightened awareness of the need for organ donations .

The Bears have also recorded more victories than any other NFL franchise . The franchise was founded in Decatur , Illinois , on September 17 , 1920 , and moved to Chicago in 1921 . It is one of only two remaining franchises from the NFL 's founding in 1920 , along with the Arizona Cardinals , which was originally also in Chicago . In 2007 , he was ranked by NFL Network 's NFL Top 10 series as the most elusive runner in NFL history , and also topped its list of greatest players never to play in a Super Bowl . He is often regarded as one of the greatest running backs in NFL history . Sanders played college football for the Oklahoma State Cowboys football team , where , as a junior in 1988 he compiled what is considered one of the greatest individual seasons in college football history , rushing for 2,850 yards and 42 touchdowns in 12 games . Sanders was first inducted into the Kansas Sports Hall of Fame in 1998 . The team was purchased and relocated to Detroit and subsequently renamed the Lions for the 1934 season . The Lions have won four NFL championships . However , their last was in 1957 , which gives the club the second-longest NFL championship drought behind the Arizona Cardinals (who last won in 1947) . The Minnesota Vikings became the first team since the 1968 Baltimore Colts to win all but one of their regular season games and not win the Super Bowl . After no team had won

14 regular season games since the 1992 49ers , three teams went 14-2 or better for the only time in a 16-game season . Football Outsiders noted :

Following his first professional season , in which he set an NFL record for most rushing yards in a single game (296) , Peterson was named the NFL Offensive Rookie of the Year . He was then awarded the MVP award for his performance in the Pro Bowl and became only the fifth player in NFL history to have more than 3,000 yards through his first two seasons . In 2012 , Peterson became the sixth fastest player to reach 8,000 rushing yards , ending the season with 2,097 rushing yards , just nine yards shy of breaking Eric Dickerson 's single season all-time record . Peterson amassed 2,314 all-purpose yards from scrimmage in 2012 , tying Marcus Allen for the eighth-highest total ever . In 1969 , their dominant defense led to the Vikings ' league championship , the last NFL championship prior to the merger of the NFL with the AFL . The team plays its home games at U.S. Bank Stadium in the Downtown East section of Minneapolis .

The 2016 NFL season was the 97th season in the history of the National Football League (NFL) .

The season began on September 8 , 2016 , with the defending Super Bowl 50 champion Denver Broncos defeating the Carolina Panthers 21-20 in the NFL Kickoff Game in a rematch of the Super Bowl . The season concluded with Super Bowl LI , the league 's championship game on February 5 , 2017 , at NRG Stadium in Houston with the New England Patriots defeating the Atlanta Falcons 34-28 in overtime . For the first time since the Houston Oilers relocated to Tennessee in 1997 , [note 1] an NFL team relocated to another state , as the former St. Louis Rams moved out of St. Louis , Missouri and returned to Los Angeles , its home from 1946 to 1994 . For the first time since the 2003 NFL season , neither of the previous season 's Super Bowl participants made the playoffs . The 2016 season also was the last season for the San Diego Chargers after playing in San Diego for fifty-six years before their return to the city of Los Angeles for 2017 , where the franchise was based in for their first season in 1960 . This was also the first season without any players drafted in the 1990s , as quarterback Peyton Manning and cornerback Charles Woodson , both from the 1998 Draft , retired earlier in the offseason . There was still one player who had been playing since the 1990s in kicker Adam Vinatieri of the Indianapolis Colts , who began his career with the Patriots in 1996 , however , he was an undrafted free agent .

New Orleans Saints

The Saints began play in Tulane Stadium in 1967 where they remained until the 1974 NFL season , when they moved to the new Louisiana Superdome (now the Mercedes-Benz Superdome) . The name Saints is an allusion to November 1 being All Saints ' Day in the Catholic faith . New Orleans has a large Catholic population , and the spiritual When the Saints Go Marching In is strongly associated with New Orleans and is often sung by fans at games . The team 's primary colors are old gold and black ; their logo is a simplified fleur-de-lis . For most of their first 20 years , the Saints were barely competitive , only getting to .500 twice . In 1987 , they finished 12-3 - their first-ever winning season - and qualified for the NFL playoffs for the first time in franchise history , but lost to the Minnesota Vikings 44-10 . The next season in 1988 ended with a 10-6 record , but no playoff berth . Following the 2000 regular season , the Saints defeated the defending Super Bowl champion St. Louis Rams 31-28 to notch their first-ever playoff win . In 2005 , Hurricane Katrina devastated New Orleans and much of the Gulf Coast region .

The Redskins have won five NFL Championships (the latter three in Super Bowls) , and have captured fourteen divisional titles and six conference championships . The Redskins were the first NFL franchise with an official marching band , the Redskins Band , and the first with a fight song , Hail to the Redskins . The team began play in Boston as the Braves in 1932 , and became the Redskins the following year . In 1937 , the team relocated to Washington , D.C. , where they have been based since . The Redskins won the 1937 and 1942 NFL championship games , as well as Super Bowls XVII , XXII , and XXVI . They have been league runner-up six times , losing the 1936 , 1940 , 1943 , and 1945 title games , and Super Bowls VII and XVIII . With 24 postseason appearances , the Redskins have an overall

postseason record of 23-18 . Their three Super Bowl wins are tied with the Oakland Raiders and Denver Broncos , behind the Pittsburgh Steelers and New England Patriots (six each) , San Francisco 49ers and Dallas Cowboys (five each) , and the Green Bay Packers and New York Giants (four each) .

The New England Patriots played their home games at Foxboro Stadium through 2001 , then moved to Gillette Stadium at the start of the 2002 season . The Patriots ' rivalry with the New York Jets is considered one of the most bitter rivalries in the NFL . Since the arrival of head coach Bill Belichick and quarterback Tom Brady in 2000 , the Patriots have become one of the most successful teams in NFL history , claiming 16 AFC East titles as part of 18 consecutive winning seasons since 2001 . The franchise has since set numerous notable records , including most wins in a ten-year period (126 , in 2003-2012) , an undefeated 16-game regular season in 2007 , the longest winning streak consisting of regular season and playoff games in NFL history (a 21-game streak from October 2003 to October 2004) , and the most consecutive division titles won by a team in NFL history (eleven straight division titles from 2009 to 2019) . The team owns the record for most Super Bowl appearances (nine) and wins (six) by a head coach-quarterback tandem , most conference championships overall (eleven) , most Super Bowl appearances overall (eleven) . The 1995 NFL season was the 76th regular season of the National Football League . The league expanded to 30 teams with the addition of the Carolina Panthers and the Jacksonville Jaguars . The two expansion teams were slotted into the two remaining divisions that previously had only four teams (while the other four had five teams) : the AFC Central (Jaguars) and the NFC West (Panthers) . Meanwhile , the two teams in Los Angeles relocated to other cities : the Rams transferred to St. Louis (but would return to Los Angeles in 2016) and the Raiders moved back to Oakland ; this would be the start of a 20-year absence for the NFL in Los Angeles . During the course of the season it emerged that the Cleveland Browns would relocate to Baltimore for the 1996 season . The Raiders move was not announced until after the schedule had been announced , which resulted in a problem in the third week of the season when both the Raiders and the San

Francisco 49ers had games scheduled to air on NBC which ended up overlapping each other . The Raiders game was rescheduled for 10:00 AM PDT in case they were to relocate and NBC was given the doubleheader so that both Bay Area teams had their games televised locally . The season ended with Super Bowl XXX , when the Dallas Cowboys defeated the Pittsburgh Steelers 27-17 at the Sun Devil Stadium . They became the first team in NFL history to win three Super Bowls in four years . This season was legendary Miami Dolphins head coach Don Shulas last season as coach .

1997 Nfl Season

The 1997 NFL season was the 78th regular season of the National Football League . The Oilers relocated from Houston , Texas to Nashville , Tennessee . The newly renamed Tennessee Oilers played their home games during this season at the Liberty Bowl Memorial Stadium in Memphis , Tennessee while construction of a new stadium in Nashville started . Houston would rejoin the NFL with the expansion Texans in 2002 . This was the last season to date that TNT broadcast NFL games , as well as the last for NBC until 2006 . When the TV contracts were renewed near the end of the season , Fox retained the National Football Conference package , CBS took over the American Football Conference package and ESPN won the right to televise all of the Sunday night games . Due to Game 7 of the 1997 World Series , the Chicago Bears-Miami Dolphins game at Pro Player Stadium was delayed one day to Monday , October 27 . The Denver Broncos and Tampa Bay Buccaneers both changed their uniforms , and the new uniforms for both teams were introduced during this season . The season ended with Super Bowl XXXII when the Denver Broncos defeated the Green Bay Packers 31-24 at Qualcomm Stadium . This broke the National Football Conference 's streak of thirteen consecutive Super Bowl victories , the last American Football Conference win having been the Los Angeles Raiders defeating the Washington Redskins in Super Bowl XVIII .

The team began play in 1960 at the Polo Grounds . Under new ownership , the current name was adopted in 1963 and the franchise moved to Shea Stadium in 1964 and then to the Meadowlands Sports Complex in 1984 . The Jets advanced to the playoffs for the first time in 1968 and went on to compete in Super Bowl III where they defeated the Baltimore Colts , becoming the first AFL team to defeat an NFL club in an AFL-NFL World Championship Game . Since 1968 , the Jets have appeared in the playoffs 13 times , and in the AFC Championship Game four times , most recently losing to the Pittsburgh Steelers in 2010 . However , the Jets have never returned to the Super Bowl , making them one of three NFL teams to win their lone Super Bowl appearance , along with the New Orleans Saints and the Tampa Bay Buccaneers . Apart from the Cleveland Browns and the Detroit Lions , who have never reached the Super Bowl (although both won NFL championships prior to 1966) , the Jets ' drought is the longest among current NFL franchises .

One week later , the Seahawks dethroned the defending champion New Orleans Saints in the Wild Card round , to become the first ever sub-.500 playoff team to win a postseason game .

Due to a labor dispute between league owners and players , a lockout began on March 11 and ended on July 25 , lasting 18 weeks and 4 days (130 days) . Although it initially threatened to postpone or cancel the season , the only game that was canceled was the August 7 Pro Football Hall of Fame Game . The 2011 season saw an unprecedented amount of passing offense : Three of the nine highest passing yardage totals of all time were established : No . 2 Drew Brees (5,476) , No . 3 Tom Brady (5,235) , and No . 9 Matthew Stafford (5,038) ; Eli Manning threw for 4,933 yards , which places him 14th all time . It also saw Green Bay Packers quarterback Aaron Rodgers establish the all-time single-season best QB Rating of 122.5 . [circular reference] Further cementing the modern NFL 's reputation as a passing league was the fact that , for the second consecutive year , the league overall set a record for most average passing yards per team per game , with 229.7 , breaking 2010 's record by more than eight yards per game . (For comparison , the league-wide average rushing yards total finished the 2011 season at 57th all-time .) A subplot of the 2011 season was determining who would have the worst record , and therefore earn the right to the No .

Los Angeles Rams

The Los Angeles Rams are a professional American football team based in the Greater Los Angeles area . The Rams compete in the National Football League (NFL) as a member club of the National Football Conference (NFC) West division . The club has won three NFL championships , and is the

Starting in 2020 , the Rams will play their home games at SoFi Stadium in Inglewood , which they will share with the Los Angeles Chargers . The franchise began in 1936 as the Cleveland Rams , based in Cleveland , Ohio . The club was owned by Homer Marshman and featured players such as William Bud Cooper , Harry The Horse Mattos , Stan Pincura , and Mike Sebastian . Damon Buzz Wetzel joined as general manager . The franchise moved to Los Angeles in 1946 following the 1945 NFL Championship Game victory , making way for Paul Brown 's Cleveland Browns of the All-America Football Conference and becoming the only NFL championship team to play the following season in another city . The club played their home games at the Los Angeles Memorial Coliseum before moving into a reconstructed Anaheim Stadium in Orange County , California in 1980 . The Rams left California and moved to St. Louis , Missouri , following the 1994 NFL season . Five seasons after relocating , the team won Super Bowl XXXIV in a 23-16 victory over the Tennessee Titans . They then appeared in Super Bowl XXXVI , where they lost 20-17 to the New England Patriots .

1993 Nfl Season

The 1993 NFL season was the 74th regular season of the National Football League . It was the only season in league history where all NFL teams were scheduled to play their 16-game schedule over a span of 18 weeks (the league again played 16 games over 18 weeks in 2001 , but this was not planned and instead was caused by the postponement of a week of games due to the September 11 , 2001 terrorist attacks) . After the success of expanding the regular season to a period of 17 weeks in 1990 , the league hoped this new schedule would generate even more revenue . This was also done to avoid scheduling playoff games on January 1 and competing with college football bowl games . However , teams felt that having two weeks off during the regular season was too disruptive for their weekly routines , and thus it reverted to 17 weeks immediately after the season ended . On March 1 , 1993 , the current free agent system was introduced to the league . When new TV contracts were signed in December 1993 , CBS lost their rights to broadcasting NFC games to the then seven-year old Fox Network (which had just started up its own sports division) , which took effect next season ; this ended a 37 year association with the NFL for CBS . The season ended with Super Bowl XXVIII when the Dallas Cowboys defeated the Buffalo Bills 30-13 for the second consecutive season at the Georgia Dome . This remains the only time both Super Bowl participants have been the same in successive seasons . The Cowboys became the first team to win a Super Bowl after losing their first two regular season games . This game also marked the fourth consecutive Super Bowl loss by the Bills , who remain the only team to reach four straight Super Bowls .

Pittsburgh Steelers

The Pittsburgh Steelers are a professional American football team based in Pittsburgh , Pennsylvania . They compete in the National Football League (NFL) as a member club of the American Football Conference (AFC) North division . Founded in 1933 , the Steelers are the seventh-oldest franchise in the NFL , and they are the oldest franchise in the AFC . In contrast with their status as perennial also-rans in the pre-merger NFL , where they were the oldest team never to have won a league championship , the Steelers of the post-merger (modern) era are among the most successful NFL franchises . The team is tied with the New England Patriots for the most Super Bowl titles at six , and they have both played in (16 times) and hosted (11 times) more conference championship games than any other team in the NFL . The Steelers have also won eight AFC championships , tied with the Denver Broncos , but behind the Patriots ' record 11 AFC championships . The team is tied with the Broncos and Dallas Cowboys for the second-most Super Bowl appearances with eight . They lost their most recent championship appearance , Super Bowl XLV , on February 6 , 2011 . The Steelers , whose history may be traced to a regional pro team that was established in the early 1920s , joined the NFL as the Pittsburgh Pirates on July 8 , 1933 . The

team was owned by Art Rooney and took its original name from the baseball team of the same name , as was common practice for NFL teams at the time . To distinguish them from the baseball team , local media took to calling the football team the Rooneymen , an unofficial nickname that persisted for decades after the team had adopted its current nickname . The ownership of the Steelers has remained within the Rooney family since the organization 's founding .

1996 Nfl Season

1992 Nfl Season

The 1992 NFL season was the 73rd regular season of the National Football League . Due to the damage caused by Hurricane Andrew , the New England Patriots at Miami Dolphins game that was scheduled for September 6 at Joe Robbie Stadium was rescheduled to October 18 . Both teams originally had that weekend off . This marked the first time since the 1966 NFL season and the AFL seasons of 1966 and 1967 that there were byes in week 1 ; in those years , byes were necessary every week since there were an odd number of teams , which would happen again between 1999 and 2001 . The Tampa Bay Buccaneers and Dolphins also had their 2017 season opener postponed due to Hurricane Irma . The Atlanta Falcons played their first season in the new Georgia Dome , replacing Atlanta-Fulton County Stadium , playing there until 2016 . The season ended with Super Bowl XXVII when the Dallas Cowboys defeated the Buffalo Bills 52-17 at the Rose Bowl . This would be the third of the Bills four consecutive Super Bowl losses . Buffalo would join the Miami Dolphins of the early 1970s as the only team to reach three straight Super Bowls and not until the New England Patriots of the late 2010s would another team reach three in a row .

Atlanta Falcons

The Falcons compete in the National Football League (NFL) as a member club of the league 's National Football Conference (NFC) South division . 1977 Nfl Season

The 1977 NFL season was the 58th regular season of the National Football League . The Seattle

Seahawks were placed in the AFC West while the Tampa Bay Buccaneers were slotted into the NFC Central . Instead of a traditional Thanksgiving Day game hosted by the Dallas Cowboys , the league scheduled a Miami Dolphins at St. Louis Cardinals contest . This would be only the second season since 1966 that the Cowboys did not play on that holiday . It marked the last time that the Cowboys did not play on Thanksgiving . This was the last NFL regular season with 14 games . The regular season was expanded to 16 games in 1978 , with the preseason reduced from six games to four . It was also the final season of the eight-team playoff field in the NFL , before going to ten the following season . The 1977 season is considered the last season of the Dead Ball Era of professional football (1970 to 1977) . The 17.2 average points scored per team per game was the lowest since 1942 . The 1988 NFL season was the 69th regular season of the National Football League . The Cardinals relocated from St. Louis , Missouri to the Phoenix , Arizona area becoming the Phoenix Cardinals but remained in the NFC East division . The playoff races came down to the regular seasons final week , with the Seattle Seahawks winning the AFC West by one game , and the Philadelphia Eagles and San Francisco 49ers winning their respective divisions in a five-way tie , with the New Orleans Saints and New York Giants losing the NFC Wild Card berth to the Los Angeles Rams on tiebreakers . This season marked the final coaching season for the legendary Tom Landry . The season ended with Super Bowl XXIII when the San Francisco 49ers defeated the Cincinnati Bengals 20-16 at the Joe Robbie Stadium in Florida .

Jim Brown

James Nathaniel Brown (born February 17 , 1936) is an American former professional football player , sports analyst and actor . He was a fullback for the Cleveland Browns of the National

Football League (NFL) from 1957 through 1965 . Considered to be one of the greatest football players of all time , Brown was a Pro Bowl invitee every season he was in the league , was recognized as the AP NFL Most Valuable Player three times , and won an NFL championship with the Browns in 1964 . He led the league in rushing yards in eight out of his nine seasons , and by the time he retired , he had shattered most major rushing records . In 2002 , he was named by The Sporting News as the greatest professional football player ever . Brown earned unanimous All-America honors playing college football at Syracuse University , where he was an all-around player for the Syracuse Orangemen football team . He also excelled in basketball , track and field , and lacrosse . The football team later retired his number 44 jersey . He was inducted into the College Football Hall of Fame in 1995 . In his professional career , Brown carried the ball 2,359 times for 12,312 rushing yards and 106 touchdowns , which were all records when he retired . He averaged 104.3 rushing yards per game , and is the only player in NFL history to average over 100 rushing yards per game for his career . His 5.2 yards per rush is second-best among running backs .

Cleveland Browns

The Cleveland Browns are a professional American football team based in Cleveland . Named after original coach and co-founder Paul Brown , they compete in the National Football League (NFL) as a member club of the American Football Conference (AFC) North division . The Browns play their home games at FirstEnergy Stadium , which opened in 1999 , with administrative offices and training facilities in Berea , Ohio . The Browns ' official club colors are brown , orange , and white . They are unique among the 32 member franchises of the NFL in that they do not have a logo on their helmets . The franchise was founded in 1945 by Brown and businessman Arthur B. McBride as a charter member of the All-America Football Conference (AAFC) . The Browns dominated the AAFC , compiling a 47-4-3 record in the league 's four seasons and winning its championship in each . When the AAFC folded after the 1949 season , the Browns joined the NFL along with the San Francisco 49ers and the original Baltimore Colts . The team won a championship in their inaugural NFL season , as well as in the 1954 , 1955 , and 1964 seasons , and in a feat unequaled in any of the North American major professional sports , played in their league championship game in each of the Browns ' first ten years of existence . From 1965 to 1995 , they qualified to play in the NFL playoffs 14 times , but did not win another championship or play in the Super Bowl during that period . In 1995 , owner Art Modell , who had purchased the Browns in 1961 , announced plans to move the team to Baltimore . After threats of legal action from the city of Cleveland and fans , a compromise was reached in early 1996 that allowed Modell to establish the Baltimore Ravens as a new franchise while retaining the contracts of all Browns personnel .

Marshall Faulk

Marshall William Faulk (born February 26 , 1973) is a former American football player who was a running back in the National Football League (NFL) for twelve seasons . He played college football for San Diego State University , and was a two-time consensus All-American . He was selected by the Indianapolis Colts as the second overall pick in the 1994 NFL Draft , and he also played professionally for the NFL 's St. Louis Rams . Faulk was a member of the Greatest Show on Turf , a name given to the St. Louis Rams team that appeared in two Super Bowls and won Super Bowl XXXIV . In 2000 , Faulk was named the Most Valuable Player of the NFL . Faulk is one of only three NFL players (Marcus Allen and Tiki Barber being the others) to reach at least 10,000 rushing yards and 5,000 receiving yards ; he is the only one to amass 12,000 yards rushing and 6,000 yards receiving . Faulk was inducted into the Pro Football Hall of Fame in 2011 and the College Football Hall of Fame in 2017 . He was an analyst for various programs on the NFL Network until December 2017 .

1994 Nfl Season

The 1994 NFL season was the 75th regular season of the National Football League . To honor the NFL 's 75th season , a special anniversary logo was designed and each player wore a patch on their jerseys with this logo throughout the season . Also , a selection committee of media and league personnel named a special NFL 75th Anniversary All-Time Team , honoring the best NFL players from the first 75 seasons . The Phoenix Cardinals changed their name to Arizona Cardinals in an attempt to widen their appeal to the entire state of Arizona instead of just the Phoenix area . The name was initially resisted by Bill Bidwill . The Seattle Seahawks played their first three regular season home games at Husky Stadium because the Kingdome , the Seahawks ' regular home field , was undergoing repairs for damaged tiles on its roof . The Seahawks returned for the 2000 and 2001 seasons while their new stadium was under construction . This marked the last season until 2016 that the city of Los Angeles had an NFL team and the last one until 2017 that the city had two . Both the Rams and the Raiders left the city following the season . The Rams moved east to St. Louis , Missouri after being in Los Angeles for 49 years , while the Raiders left after twelve seasons to return to their previous home in Oakland , California . The Rams eventually returned in 2016 after failing to reach an agreement with St. Louis on a new stadium . This was also the first season that the then eight-year old Fox network televised NFL games ; the network had started its own sports division a year prior .

St. Louis Rams

In 1995 , the Los Angeles Rams of the National Football League relocated the franchise from southern California to the Midwestern United States , moving to St. Louis , Missouri and becoming known as the St. Louis Rams . The Rams called St. Louis home from 1995 until the end of the 2015 season , after which they returned to playing in their former home in Los Angeles . The Rams ' relocation to St. Louis gave the city a professional football team for the first time since the end of the 1987 season . That was the last year that the now-Arizona Cardinals played there before moving to Tempe in 1988 . The relocation was the second in Rams franchise history ; the team previously called Cleveland , Ohio home until 1946 . The Rams played their home games at what is now known as The Dome at America 's Center in downtown St. Louis , which the city had been constructing for the previous few years in the hopes of gaining an NFL team . The city was left out of the expansion that brought Charlotte and Jacksonville into the league for 1995 and another attempt to secure a franchise fell through when the ownership group controlling the New England Patriots was forced out of power by their stadium 's owner and operator . The Rams new stadium was not ready for them when they initially arrived in Missouri , so they were forced to temporarily share Busch Memorial Stadium with the St. Louis Cardinals . Their first game in St. Louis against the New Orleans Saints was played on September 10 , 1995 with the Rams winning 17-13 . The then- Trans

World Dome opened on November 12 , 1995 with the home team scoring a 28-17 victory against the Carolina Panthers . The Rams ' last game played in St. Louis , in what was by then known as the Edward Jones Dome , was against the Tampa Bay Buccaneers on December 17 , 2015 , which they won , 31-23 . The Rams last game as a St. Louis-based franchise was on January 3 , 2016 , against the San Francisco 49ers at Levi 's Stadium , when they lost in overtime 19-16 .

1999 Nfl Season

The 1999 NFL season was the 80th regular season of the National Football League . The Cleveland Browns returned to the field for the first time since the 1995 season , while the Tennessee Oilers changed their name to Tennessee Titans , with the league retiring the name Oilers . The return of the Browns increased the number of teams to 31 , the first time the league had played with an odd number of teams since 1966 . This required the NFL to give at least one team a bye each week ; previously , barring extreme circumstances , a club never received a bye during the first two weeks or last seven weeks of the season . Under a new system , for ten weeks of the season (Week # 1 , Week # 2 and Week # 10 to Week # 17) , one team received a bye , and for seven weeks of the season (Week # 3 to Week # 9) , three teams received a bye . This format would continue until the Houston Texans joined the NFL in 2002 , returning the league to an even number of teams . The start of the 1999 NFL Season was pushed back one week and started the weekend after Labor Day , a change from the previous seasons : due to the Y2K concerns , the NFL did not want to hold the opening round of the playoffs on Saturday January 1 , 2000 , and did not want teams traveling on that day . This was also done to avoid competing against college football 's New Years Day bowl games . Week 17 games were held on January 2 , 2000 , and the opening round of the playoffs would be scheduled for January 8 and 9 , with the bye week before the Super Bowl removed to accommodate the one-week adjustment . The start of the season after Labor Day would become a regular fixture for future seasons , beginning in 2001 . The final spot in the NFC playoffs came down to an exciting final day of the season . The Green Bay Packers and Carolina Panthers were both at 7-8 , tied for the last spot in the playoffs with the Dallas Cowboys and tied in other tiebreakers .

The NFL title was eventually won by the Indianapolis Colts , when they defeated the Chicago Bears 29-17 in Super Bowl XLI at Dolphin Stadium at Miami Gardens , Florida on February 4 .

2008 Nfl Season

The 2008 NFL season was the 89th regular season of the National Football League , themed with the slogan Believe in Now . Super Bowl XLIII , the league 's championship game , was at Raymond James Stadium in Tampa , Florida , on February 1 , 2009 , with the Pittsburgh Steelers coming out victorious over the Arizona Cardinals 27-23 and winning their NFL-record sixth Vince Lombardi Trophy . Conversely , the Detroit Lions became the first NFL team with a winless season since the strike-shortened 1982 NFL season , finishing their season 0-16 . For the first time since the NFL expanded to the sixteen game season in 1978 , three teams won two or fewer games : the Lions , the Kansas City Chiefs , and the St. Louis Rams . Previously two teams won two or fewer games in 1979 , 1981 , 1983 , 1985 , 1992 , and 2001 . Also , for the first time since the 1985 Denver Broncos , a team finishing with an 11-5 record missed the playoffs . The regular season began on September 4 with the defending Super Bowl XLII champion New York Giants defeating the Washington Redskins 16-7 , and concluded with the 2009 Pro Bowl on February 8 , 2009 , in Honolulu .

The Seahawks compete in the National Football League (NFL) as a member club of the league 's National Football Conference (NFC) West division . They joined the NFL in 1976 as an expansion team . The Seahawks are coached by Pete Carroll . Since 2002 , they have played their home games at CenturyLink Field (formerly Qwest Field) , located south of downtown Seattle . They previously played home games in the Kingdome (1976-1999) and Husky Stadium (1994 , 2000-2001) . Seahawks fans have been referred to collectively as the 12th Man , 12th Fan , or 12s . The Seahawks ' fans have twice set the Guinness World Record for the loudest crowd noise at a sporting event , first registering 136.6 decibels during a game against the San Francisco 49ers in September 2013 , and later during a Monday Night Football game against the New Orleans Saints a few months later , with a then record-setting 137.6 dB . The Seahawks are the only NFL franchise based in the Pacific Northwest region of North America , and thus attract support from a wide geographical area , including some parts of Oregon , Montana , Idaho , and Alaska , as well as Canadian fans in British Columbia , Alberta and Saskatchewan . Steve Largent , Cortez Kennedy , Walter Jones , and Kenny Easley have been voted into the Pro Football Hall of Fame primarily or wholly for their accomplishments as Seahawks . In addition to them , Dave Brown , Jacob Green , Dave Krieg , Curt Warner , and Jim Zorn have been inducted into the Seahawks Ring of Honor along with Pete Gross (radio announcer) and Chuck Knox (head coach) . The Seahawks have won 10 division titles and three conference championships .

He scored 145 touchdowns , including a then-league-record 123 rushing touchdowns , and was elected to six Pro Bowls over the course of his career . Allen was the first NFL player to gain more than 10,000 rushing yards and 5,000 receiving yards during his career . Allen is considered one of the greatest goal line and short-yard runners in National Football League (NFL) history . His younger brother , Damon Allen , played quarterback for 23 seasons in the Canadian Football League , was named to the Canadian Football Hall of Fame in 2012 and was professional football 's all-time leader in passing yards . Allen has the distinction of being the only player to have won the Heisman Trophy , an NCAA national championship , the Super Bowl , and be named NFL MVP and Super Bowl MVP . He has been inducted into both the College Football Hall of Fame and

the Pro Football Hall of Fame .

1982 Nfl Season

The 1982 NFL season was the 63rd regular season of the National Football League . A 57-day-long players ' strike reduced the 1982 season from a 16-game schedule per team to an abbreviated nine game schedule . Because of the shortened season , the NFL adopted a special 16-team playoff tournament ; division standings were ignored for seeding (although each division sent at least one team to the playoffs and each division except the NFC West sent at least two teams) . Eight teams from each conference were seeded 1-8 based on their regular season records . Two teams qualified for the playoffs despite losing records (the Cleveland Browns and the Detroit Lions) . The season ended with Super Bowl XVII when the Washington Redskins defeated the Miami Dolphins 27-17 at the Rose Bowl . Before the season , a verdict was handed down against the league in the trial brought by the Oakland Raiders and the Los Angeles Memorial Coliseum back in 1980 . The jury ruled that the NFL violated antitrust laws when it declined to approve the proposed move by the team from Oakland to Los Angeles . Thus , the league was forced to let the officially renamed Los Angeles Raiders play in the second largest city in the United States , returning football to the Los Angeles area proper following a two-year absence (the Los Angeles Rams left the Coliseum for Anaheim Stadium in Orange County in 1980) . For the start of the 1982 season , the Minnesota Vikings moved from Metropolitan Stadium to the Hubert H. Humphrey Metrodome .

Kansas City Chiefs

The Kansas City Chiefs are a professional American football team based in Kansas City , Missouri . The Chiefs compete in the National Football League (NFL) as a member club of the league 's American Football Conference (AFC) West division . The team was founded in 1960 as the Dallas Texans by businessman Lamar Hunt and was a charter member of the American Football League (AFL) . (It is not associated with the NFL Dallas Texans .) In 1963 , the team moved to Kansas City and assumed its current name . The Chiefs joined the NFL as a result of the merger in 1970 . The team is valued at over \$ 2 billion . Hunt 's son , Clark , serves as chairman and CEO . While Hunt 's ownership stakes passed collectively to his widow and children after his death in 2006 , Clark is the operating head of the franchise ; he represents the Chiefs at all league meetings and has ultimate authority on personnel changes . The Chiefs have won three AFL championships , in 1962 , 1966 , and 1969 . They became the second AFL team (after the New York Jets) to defeat an NFL team in an AFL-NFL World Championship Game , when they defeated the Minnesota Vikings in Super Bowl IV . The team 's victory on January 11 , 1970 , was the final such competition before the leagues ' merger went into full effect .

The season ended with Super Bowl XIX when the San Francisco 49ers defeated the Miami Dolphins 38-16 at Stanford Stadium in California . This was the first Super Bowl televised by ABC , who entered into the annual championship game rotation with CBS and NBC . This game marked the second shortest distance between the Super Bowl host stadium (Stanford , California) and a Super Bowl team (San Francisco 49ers) . The 49ers became the first team in NFL history to win 15 games in a regular season and to win 18 in an entire season (including the postseason) . Additionally , two major offensive records were set this season , with quarterback Dan Marino establishing a new single-season passing yards record with 5,084 (later broken by Drew Brees in 2011 , 2012 , 2013 and 2016 , by Tom Brady in 2011 , by Peyton Manning in 2013) , by Ben Roethlisberger and Patrick Mahomes in 2018 and by Jameis Winston in 2019) and Eric Dickerson establishing a new single-season rushing yards record with 2,105 . Also during the season , San Diego Chargers wide receiver Charlie Joiner became the all-time leader in career receptions ; he set that mark in a game between the Chargers and the Pittsburgh Steelers at Pittsburgh 's Three Rivers Stadium . A week 10 game against the Kansas City Chiefs the Seattle Seahawks set numerous NFL records for interception returns , including most interception return yardage in a game and most interceptions returned for touchdowns in a game with 4 (all touchdowns over 50 yards in length) . It would be the last NFL season to date to start on Labor Day weekend . It would also be the last time until 2015 that CBS televised the late afternoon games in Week 1 . This was because both Week 1 of the NFL season and CBS coverage of the U.S. Open tennis finals would take place on the same day beginning next season .

quarterback Peyton Manning was named the regular season 's Most Valuable Player (MVP) by the voters of the Associated Press (AP) for a record fifth time after compiling passing stats which included regular season records for passing yards and passing touchdowns . 1976 Nfl Season

The 1976 NFL season was the 57th regular season of the National Football League . The year 1976 was also the Bicentennial of the United States although the NFL did not issue its own Bicentennial patch . The Dallas Cowboys did modify their helmet (red , white and blue stripes) to honor the year , and were the only NFL team to recognize the Bicentennial . The league expanded to 28 teams with the addition of the Seattle Seahawks and the Tampa Bay Buccaneers . This fulfilled one of the conditions agreed to in 1966 for the 1970 AFL-NFL merger , which called for the league to expand to 28 teams by 1970 or soon thereafter . For this season only , the Seahawks played in the NFC West while the Buccaneers played in the AFC West . The Seahawks would return to the NFC West with the realignment prior to the 2002 season . The Buccaneers became the first NFL team to finish a season 0-14 . The Buccaneers lost their first 26 games as a franchise before finally winning against the New Orleans Saints and St. Louis Cardinals to finish the 1977 season . The New York Giants finally opened their new Giants Stadium after spending two seasons at the Yale Bowl and one season at Shea Stadium . The season ended with Super Bowl XI when the Oakland Raiders defeated the Minnesota Vikings 32-14 in the Rose Bowl . The Raiders were the first original AFL team to appear and win a Super Bowl in the post-merger era .

1985 Nfl Season

The 1985 NFL season was the 66th regular season of the National Football League . The season ended with Super Bowl XX when the Chicago Bears defeated the New England Patriots 46-10 at the Louisiana Superdome . Corey Dillon

Corey James Dillon (born October 24 , 1974) is a former American football running back who played in the National Football League (NFL) for ten seasons , primarily with the Cincinnati Bengals . In addition , he was also a member of the New England Patriots . Despite the overall poor performance of his team , he emerged as a standout player , setting several franchise records and being named to three Pro Bowls during his seven years in Cincinnati . In his last three seasons , Dillon played for the Patriots , where he was named to a fourth Pro Bowl and contributed to New England 's victory in Super Bowl XXXIX over the Philadelphia Eagles . He retired with 11,241 rushing yards , which currently ranks 20th among rushing yards leaders in the NFL .

Cincinnati Bengals

The Cincinnati Bengals are a professional American football franchise based in Cincinnati , Ohio . The Bengals compete in the National Football League (NFL) as a member club of the league 's American Football Conference (AFC) North division . Their home stadium is Paul Brown Stadium , located in downtown Cincinnati . Their divisional opponents are the Baltimore Ravens , Cleveland Browns and Pittsburgh Steelers . The Bengals were founded in 1966 as a member of the American Football League (AFL) by former Cleveland Browns head coach Paul Brown , and began play in the 1968 season . Brown was the Bengals ' head coach from their inception to 1975 . After being dismissed as the Browns ' head coach by Art Modell (who had purchased majority interest in the team in 1961) in January 1963 , Brown had shown interest in establishing another NFL franchise in Ohio and looked at both Cincinnati and Columbus . He ultimately chose the former when a deal between the city , Hamilton County , and Major League Baseball 's Cincinnati Reds (who were seeking a replacement for the obsolete Crosley Field) was struck that resulted in an agreement to build a multipurpose stadium which could host both baseball and football games . Due to the impending merger of the AFL and the NFL , which was scheduled to take full effect in the 1970 season , Brown agreed to join the AFL as its tenth and final franchise . The Bengals , like the other former AFL teams , were assigned to the AFC following the merger . Cincinnati was also selected because , like their neighbors the Reds , they could draw from several large neighboring cities (Louisville and Lexington , Kentucky ; Columbus , Dayton , and Springfield , Ohio) that are all no more than 110 miles (180 km) away from downtown Cincinnati , along with Indianapolis , until the Baltimore Colts relocated there prior to the 1984 NFL season . The Bengals won the AFC championship in 1981 and 1988 , but lost Super Bowls XVI and XXIII to the San Francisco 49ers .
